

Grace Garden - Join the team working to help feed the hungry!

Grace Garden began in 2009 as a 10' x 10' plot. It has grown and now fills the entire 5/8-acre garden tucked behind Davis United Methodist Church, at 1620 Anderson. Since 2010, we have been contributing fruit and produce to Davis Community Meals, Yolo Food Bank, Empower Yolo and Davis Meals on Wheels at the Davis Senior Center, and other groups. The year 2019 had a stellar bounty of over 2700 pounds! We couldn't have done it without the hard work of the many volunteers including UCD students, Master Gardeners and community volunteers.

We are looking for 3-4 people to join our team at Grace Garden by Oct 1st. After 13 years, Cid and Gwen are ready to re-retire. We know that many hands make light work. We have learned and enjoyed working together as a team. Please consider our various projects - the Annual Plant Sale, the website, the irrigation system, the orchard, harvesting, distributing the harvest, and administrative tasks (coordinating monthly team meetings, taking notes and writing monthly updates). Or come out ready to do the "project of the day."

Volunteer hours are Monday, Thursday, and Saturday 8:00-10:00am during the summer (June thru Sept). and 9-11am during the rest of the year. Come out and take a look at Grace Garden, meet our team and volunteers.
