## Reformation Sunday: "Not Far From the Kin-dom"

10:00 AM Indoor/In Person and "Live Streamed" Worship Service

Message: "Not Far From the Kin-dom"

Scripture: Psalm 146

Focus Scripture: Mark 12.28 - 34

"You are not far off," Jesus tells us that is why he came, to seek those who are far off and bring them near. We want to know that we are close to the kingdom, close to the model for living that we are called to live - more than that, close to model for living that we long to live.

Today, we may celebrate those who have given their all and thus are examples for us to follow. We give thanks to the saints of God, not because they are perfect people, but because in their living, in their struggles and successes, we can find a way to make the going good and the "gettin' there" a joy.
