

JOIN OUR SERVICE AND JUSTICE WORK

Get Involved * Ways you can help!

Join us as Contemporary Issues Forum resumes on May 1. We will undertake a 7-week study of selected chapters in *The 1619 Project*, created by Nikole Hannah-Jones. **Forum will meet in the Walker Room at 9 a.m., before Worship at 10 a.m.**

Help with our booth at the Davis Pride Festival, June 12. We need your ideas and help staffing our booth. Attention Crafters – if you would like to help crochet or braid rainbow friendship bracelets to give away at the fair, please let us know!

Assist a refugee family. We are currently helping to resettle a young couple and their baby who have recently arrived from Guatemala. Target gift cards would be welcome to help them buy miscellaneous household items, clothing, and supplies.

Contribute to our monthly special offerings and our Feed My Sheep food donations. Look for postcard writing to resume soon.

Join the ongoing work of our Housing and Homelessness Task Force and/or the Service and Justice Ministry. Both committees meet monthly.

For more information, contact Susan Padgett (sdpadgett@sbcglobal.net) or Marge Matoba (margematoba@gmail.com), Service and Justice Co-Chairs.
