

June Special Offering: **Reconciling Ministries Network**

Davis UMC is part of the Reconciling Ministries Network (RMN), which includes United Methodist individuals, congregations, campus ministries, and other groups who work to advance justice and inclusion for all LGBTQ+ people in The United Methodist Church and beyond. As their website says, “Since 1984, RMN has worked to transform hearts, churches, and communities through grassroots organizing, resourcing and educating, denomination-level change-making, pastoral care, and working with you: faithful people hopeful for a reconciled Church.”

At this point in our church’s history, it is especially important to support RMN. By our giving we can show that our own DUMC is a reconciling congregation that honors and affirms the belovedness of LGBTQ+ people. **Please give generously.**
