

February Special Offering: Equal Justice Initiative

In honor of Black History Month, our February special offering will go to the **Equal Justice Initiative** (EJI), an outstanding organization whose primary mission is to challenge racial and economic injustice in all of its forms. As they say on their website, “The Equal Justice Initiative is committed to ending mass incarceration and excessive punishment in the United States, to challenging racial and economic injustice, and to protecting basic human rights for the most vulnerable people in American society.” Their work has four strands: criminal justice reform, racial justice; anti-poverty, and public education. For more information and to watch some of their excellent videos, visit eji.org

Please donate generously to help EJI continue their important work towards equal justice in America.
